- Assess risks and ensuring vulnerable children are safe.
- Dealing with behavioural difficulties and vulnerabilities empowering the client to overcome them.
- Attend Looked After Children (LAC) reviews, educational reviews and Child Protection (CP) conferences, participating and giving input
- To assist and promote children and young people's communication utilising communication skills aids and systems. This will typically include Picture Exchange Communications System (PECS), Makaton, signs and symbols and objects of reference. Encourage and support Children and Young People to participate in the opportunities offered by the home
- To participate in a duty rota and carry out sleeping-in duties.
- To assist children and young people through change, including arrangements for referral, admission, discharge and transition.

- To organise and participate in leisure and other activities in and outside the Home.
- To liaise and work in partnership with colleagues, relatives, carers and other relevant professionals on behalf of children and young people. To respond to complaints and compliments positively and pro-actively.
- To help create a suitable safe living environment as set out by the Home's Statement of Purpose. This will mean working within legal frameworks and departmental policies and procedures.
- To work as a team member to be jointly responsible for the smooth and efficient management of the Home. To operate within BFFC code of conduct. To maintain confidentiality at all times and data protection legislation.
- Respond to the diverse needs of all the children and young people using the service on both individual and group basis.
- To have knowledge of individual health care plans and the medicines to be administered as covered by medication policies and procedures.
- To have knowledge and understanding of Epilepsy and a wide range of health care issues.
- Take responsibility for the administration, recording and storing of medicines in line with internal policy. To administer first aid
- As a 'Key Worker' there is a responsibility for the upkeep of client files and the sharing of information with the team, other professionals and families.
- To participate in internal and external staff training, including supervision, appraisals and attending staff meetings.
- To be able to create and maintain written and computerised records and reports.
- To report instances of poor practice and any matters affecting the safety or wellbeing of service users and have knowledge of child protection procedures and implement them.
- To be willing to access resource material that will support the client group in development, learning and play.
- To undertake catering, cooking and general household cleaning duties as required meeting the needs of the Home. To share meals with staff and young people.
- To be non-discriminatory and non-judgemental in practice.
- To promote individual equality and diversity.
- To have an understanding of the importance of risk assessments

- To be able to recognise the boundaries of your role and responsibilities and know when to seek advice and guidance from senior colleagues.
- To co-operate with BfFC in complying with relevant legislation, policies and codes of practice that are subject to all employees.
- To take reasonable care of your own health and safety and co-operate with management, so far as is necessary, to enable compliance with the company’s health and safety rules and legislative requirements
- To undertake such personal training as may be deemed necessary to meet the duties and responsibilities of the post
- Brighter Futures for Children is a dynamic organisation which recognises the need to respond flexibly to changing demands and circumstances. While this job description provides a summary of functions and responsibilities of the post, this may need to be adapted or adjusted to meet changing circumstances. Such changes would be commensurate with the grading of the post.
