Required for October 2022

Full time, maternity cover

Blacon High School – More than a school

We are looking to appoint an enthusiastic, innovative and inspiring Teacher of Maths to join our forward thinking Maths Department. As a teacher at Blacon High School, you must be an excellent classroom practitioner with student learning and engagement at the core of your principles. You will have a good knowledge of the Maths curriculum and the requirements of GCSE examinations. You will also have the desire to work with students who have bright aspirations and inquisitive minds.

We are a popular and oversubscribed school having moved into a new state of the art building in 2016, with a new extension which opened in September 2021 to accommodate growing numbers of students.

Evidence of achieving successful outcomes at KS4 is desirable, although ECTs will be considered for the post.

Further information relating to this role can be found in the accompanying documents and by visiting the School website at www.blaconhighschool.net. For an informal discussion with the Headteacher and the Head of Department, or to arrange a visit, please contact Tegan Whiteside.

Please apply using the online application form from the Cheshire West and Chester Council website. Please note that CVs will not be accepted. Email application queries to recruitment@blaconhigh.cheshire.sch.uk.

Blacon High School is fully committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. An enhanced DBS disclosure will be sought for the successful candidate in accordance with Safeguarding Children and Safer Recruitment in Education legislation.

Closing date for applications: Sunday 2nd October 2022

Please note that interviews for this post will take place on Thursday 6th October 2022

Melbourne Road, Blacon, Chester, CH1 5JH
